

Pendleton Truck Sales Renews Portsmouth Raceway Sponsorship

Pendleton Truck Sales located on St. Rt. 104 in Lucasville will be back with Portsmouth Raceway Park in 2009.

Pendleton's will sponsor both "The Late Model Hardcharger Award" as well as the Bomber Heat Races. Thanks to Pendleton's, PRP's Late Model Hardcharger in the A-Main will pocket \$100 cash. Pendleton's will also supply every Bomber Heat Race winner with \$25 cash.

If you're in the market for clean, late-model trucks and semis, remember Pendleton's is the place with the perfect price. Pendleton's offers a large selection of semis, box trucks, and utility equipment.

Portsmouth Raceway Park appreciates Pendleton Truck Sales for its continued involvement with dirt-track racing in Portsmouth.
