Clarktown Muffler Business to sponsor big Modified Show

Portsmouth Raceway Park is proud to welcome Mustain Muffler back on board in an even larger capacity this season. Mustain Muffler is owned by Jerry Mustain, who will be driving a Limited Late Model at PRP this year.

His business will sponsor the June 13th “Mustain Muffler Blowout” that will pay \$1,100 to win for the Modified Division and \$1,000 to win for the Limited Late Model class. Both prizes are huge payouts in those two respective divisions, and it’s great that Mustain Muffler has opted to make such a night a reality.

Mustain Muffler is located in Clarktown, which is in the Minford-Lucasville area. The business address is 7471 North State Route 139 and the phone number is (740)355-9540.
