

Portsmouth Raceway Park would like to thank all fans and race teams who made the effort to attend The Pepsi 75 on July 4th. Unfortunately weather wouldn't cooperate with the program, so the show has been rescheduled for Saturday August 1st.

Hold on to your arm bands if you purchased pit passes and your ticket stubs if you purchased general admission tickets. Those will allow you in on August 1st.

Thank you for your understanding and lets hope for better weather on August 1st.

Thanks again,
The staff of Portsmouth Raceway Park
